# Avesta Bounty program

Bounties are paid in AVE Coins all bounties are processed end of each month and details are publicly announced.

3M AVE is reserved for the Marketing Bounty program and will be divided throughout the entire development phase. (Approx. 5 years as the roadmap keeps growing)
This will leave about 600.000 Avesta per Year to be divided during 12 Months/Periods. Giving approx. 50.000 Avesta per month available for marketing bounties.

Each bounty has a fixed amount of points, at the end of every month the total available avesta will be divided by the total collected points and will be distributed.

Bounties are divided in different groups:
